Initial salary placements as of November 7, 1995, will be in effect in accordance with the following procedure: For extra-pay and summer school included teaching assignments the year will be divided into two halves (July-December, January-June). To progress to the next step, one must accumulate teaching credit in two half-years. Classes that start in one half-year and extend into the next half-year will be counted only in the half-year that they end. This schedule also applies for summer school assignments.
