Initial salary placements as of November 7, 1995, will be in effect in accordance with the following procedure: For extra-pay and summer school included teaching assignments the year will be divided into two halves (July-December, January-June). To progress to the next step, one must accumulate teaching credit in two half-years. Classes that start in one half-year and extend into the next half-year will be counted only in the half-year that they end. This schedule also applies for summer school assignments.

The District reserves the right to increase the salaries of these employees covered by this salary schedule during this school year or any subsequent school year in which this salary schedule may be in effect. This salary schedule will remain in effect until amended or repealed by the Governing Board.

Effective: Spring 2007
