- 4.1.3 The official personnel file shall be kept in confidence and shall be available for inspection only by the unit member, her/his representative of AFT (with the unit member's written permission or when accompanied by the unit member) and authorized administrative employees of the District when actually necessary in the proper administration of the District's affairs or the supervision of the unit member. Any time the unit member's official personnel file is accessed by anyone other than: a) the unit member; b) her/his representative; or c) an authorized District employee conducting routine District business who serves under the direction of the Vice Chancellor of Human Resources; the unit member shall be notified of such access. Said notification shall include the name and title of the administrative official accessing the official file and the reason for such access. Nothing herein shall be construed to prevent compliance with a valid court order or subpoena, although the unit member shall be noticed if such a request occurs.
- 4.1.4 Material derogatory to a unit member's conduct, performance, or character, shall not be entered in a unit member's personnel file unless and until the unit member is provided a copy. A unit member has a right to have a written response attached to such derogatory material and placed in her/his official personnel file. A unit member has the right to respond in writing within thirty (30) calendar days of the date of the material or disciplinary letter and to have that response attached to the letter. The unit member may forward a copy of her/his rebuttal to Human Resources, Attn: Employee Relations, to insure the rebuttal is included in the unit member's personnel file.

4.1.5 Upon the request of the unit member, all materials, except those materials referenced in Section 4.1.2 that the unit member deems derogatory, shall, after remaining in the unit member's official personnel file for a period of two (2) years or more, be placed in a separate sealed envelope, which shall be retained in the unit member's official personnel file. This sealed envelope may not be viewed by anyone other than an authorized District employee conducting routine District business who serves under the direction of the Vice Chancellor of Human Resources, and may not be opened except by the Vice Chancellor of Human Resources.

4.2 Outside Employment

A unit member may not be restricted from outside employment except as permitted by law and District Policy and Procedure (4460 and 4460.2) in effect as of October 14, 1998. The District agrees to notify AFT of its intent to change said policy and provide AFT an opportunity to negotiate those changes which are within the scope of representation upon timely demand to bargain.

ARTICLE V - WORKWEEK AND HOURS OF WORK

The workday, workweek, and the work schedule of unit members shall be designated by the District. Changes may be made by the District in accordance with the provisions of this Agreement. This Article shall not restrict the extension of the regular workday or workweek on an overtime basis on a non-regular or emergency basis when such is necessary to carry on the business of the District. If at all practicable, a minimum of one (1) workday notice shall be given prior to extending the unit member's workday or workweek. Nothing in this Article shall be deemed to prevent the District from establishing a workday of less than eight (8) hours or a workweek of less than forty (40) hours for any of its classified positions.

Unit members who have less than a twelve (12) month contract and who perform duties during months in which they are not contractually assigned, shall receive pro rata wages and benefits applicable to the classification in which they are working during their non-contractual months. "Benefits" as described in this Section includes sick leave, vacation, and holiday compensation.

5.1 Definition of Work Day

Each unit member shall be assigned a fixed, regular and ascertainable minimum number of hours per each regular workday. The regular workday for fulltime unit members shall be not more than eight (8) hours in a twenty-four (24) hour period unless otherwise provided for in 5.3.1 below. A workday may consist of a split shift.

5.2 Definition of Workweek

The workweek for fulltime unit members shall be forty (40) hours and shall consist of not more than five (5) consecutive days. Persons employed less than full time may be assigned a flex schedule. The traditional workweek shall be Monday through Friday. A non-traditional workweek may begin on any day other than Monday and shall not exceed five (5) consecutive workdays.

5.3 Alternative Work Schedules

At the option of management or at the request of the unit member, an alternate work schedule may be established in accordance with the provisions below when such assignments are needed for the operation of the District, or if by reason of the work location and duties, the unit member's services are not required for a workweek of five (5) consecutive days. Volunteers in the classification needed will be considered first. If more than one (1) unit member volunteers, seniority will be one of the considerations in making the final decision.

5.3.1 Employee Requested Alternative Work Schedule

The requesting unit member's supervisor/manager will review the request for an alternate work schedule and make sure that it meets all of the following criteria:

1. The proposed alternate work schedule does not interfere with the day-to-day operational needs of the organization as determined by the District;
2. The request is submitted in writing; and
3. The unit member agrees to comply with the requirements in this Article, as well as all timekeeping, attendance, or supervisory reporting requirements.
4. Upon any changes in the above criteria, the supervisor/manager may cancel the alternate work schedule with ten (10) working days notice.

5.3.2 Four-Ten Workweek (4/10 Schedule)

This schedule shall consist of four (4) consecutive days of ten (10) hours per day and forty (40) hours per week.

5.3.3 Nine-Day, Eighty Hour Schedule (9/80 Schedule)

This schedule shall consist of a two (2) week work period consisting of one (1) workday off and nine (9) days of work, eight (8) of which shall be nine (9) hour days and one (1) of which shall be an eight (8) hour day. The workweek shall begin at the midpoint of the shift on the eight (8) hour day of the week, determined by the immediate supervisor in the best interests of the particular department or program, and shall be defined so that no unit member will be regularly required to work more than forty (40) hours during any given workweek.

5.3.4 Alternative Work Schedules

In addition to the workweek schedules of the Four-Ten Workweek listed in 5.3.2 (5.10.2) and the Nine-Day, Eighty Hour Schedule listed in 5.3.3 (5.10.3), other alternative schedules are allowable, subject to written mutual agreement of the unit member and her/his supervisor. Any such alternative workweek schedule shall not exceed forty (40) hours in any one week nor exceed ten (10) hours on any given day. As with all other alternative workweek schedules, time scheduled in excess of the mutually agreed upon number of hours per day within the workweek, or in excess of forty (40) hours per week, shall be subject to overtime compensation.

5.3.4 Alternative Work Schedules (Continued)

All alternative work schedules are subject to final approval of the Vice Chancellor of Human Resources or his/her designee.

An alternative workweek schedule created through this process of mutual agreement may be terminated by either the supervisor or the unit member by providing a fifteen (15) business day written notice to terminate to the other party. In such cases, the supervisor shall establish the unit member's workweek schedule in accordance with the existing terms of the collective bargaining agreement.

5.4 Flex Scheduling

Part-time unit members in positions that are subject to flex scheduling will be guaranteed a specific number of days/hours to be worked within a fiscal year based on the percentage of FTE for the contract assignment. Calculation of total days/hours per fiscal year to be worked shall be based on the industry norm of 2080 (two thousand eighty) hours, which represents the average number of working hours in a year. In any one workday, no unit member shall be required to work fewer than three (3) hours. Eligible holiday hours will be subtracted from the hours to be worked. (See chart in Appendix E.)

Unit members subject to flex scheduling will receive their work schedule which shall include days and hours to be worked during the fiscal year no later than thirty (30) calendar days prior to their first day of work in the fiscal year. Changes at other times of the year to the schedule will be made in accordance with provision of Article 5.7 of this Agreement.

Unit members will receive equal paychecks each month of their work year.

5.5 Workweek for Interpreters and Lead Interpreters for the Deaf

Unit members in positions of Interpreters or Lead Interpreters for the Deaf that are subject to flex scheduling will be guaranteed a specific number of days/hours to be worked within a fiscal year based on the percentage of FTE for the contract assignment. Calculation of total days/hours per fiscal year to be worked shall be based on the industry norm of 2080 (two thousand eighty) hours, which represents the average number of working hours in a year. In any one workday, no unit member shall be required to work fewer than three (3) hours as a part of his/her regular assignment.

5.5 Workweek for Interpreters and Lead Interpreters for the Deaf (Continued)

Interpreters will receive their work schedules that shall include days and hours to be worked during each semester, no later than two (2) weeks prior to the first day of classes of the semester. Work schedules will be created to meet the needs of student schedules and may require daily changes to the unit member's work location, and/or hours to be worked. Such changes are not subject to the notice requirements of Article 5.7.

Interpreters will receive equal paychecks each month of their work year.

5.6 Timekeeping

5.6.1 Absences for unit members on alternative work schedules or in part-time assignments shall be recorded based on the number of hours the unit member was scheduled to work on the day the absence occurred.

5.6.2 Holiday hours for unit members on flex scheduling are based on the contract percentage the unit member works (e.g.; a .50 FTE receives four (4) hours holiday pay).

5.6.3 The Education Code provides that all eligible unit members are entitled to paid holidays if they are in a paid status during any portion of the working day immediately preceding or succeeding the holiday, therefore, holiday hours for all other unit members shall be recorded based on the number of hours the unit member was scheduled to work on the day designated as a holiday.

5.6.4 Only in cases where only one (1) holiday falls within the 80 hour work schedule, unit members on a 9/80 alternative work week schedule shall adjust their work schedule so that their eight (8) hour day falls on the designated holiday.

5.7 Change in Work Schedule

A unit member's work schedule may be changed at the discretion of the District or upon mutual agreement with a unit member request. The District will not change a unit member's schedule without prior notice. A change in work schedule is defined as the modification of a unit member's start and/or end time of a workday and/or routinely assigned workweek. A unit member shall not be required to change his/her workweek to include Saturday, Sunday, or split shift assignments without his/her written consent.

Unless mutually agreed to, or except in the case of an emergency involving the delivery of District services or programs necessitating a temporary schedule change, a unit member shall receive written notice fifteen (15) working days prior to the effective date of a change in the unit member's work schedule. Notices shall include the specific hours of assignment, days per week and the shift differential change, if appropriate. If the change of hours includes a change of duties, a desk description will be provided.

5.7 Change in Work Schedule (Continued)

A unit member shall be temporarily exempt from such change if the said unit member is enrolled in a course in an institution of higher or continuing education and the course hours conflict with the proposed hours of employment. The unit member shall be immediately assigned to the new work schedule upon completion of or withdrawal from the course in which he/she is enrolled at the time of the notification of the change in hours. A unit member who claims a bona fide hardship that cannot be resolved to accommodate the proposed schedule shall be immediately assigned to the new work schedule upon resolution of the hardship circumstances, or thirty (30) working days from the date of the proposed schedule change, whichever comes first. Hardship exemptions shall be made by the unit member's immediate supervisor in consultation with his/her manager. Appeals may be made to the appropriate President or Vice Chancellor. The unit member can make no further appeal and the decision shall not be grievable.

Temporary Modification of Work Schedule: Unit members who are not required or requested to work overtime during a specific time period, may voluntarily request on a non-regular, non-reoccurring basis to modify the hours on one day and make up the hours on another work day as long as the total number of hours worked in any week does not exceed forty (40). The unit member must complete a request form and have it approved by his/her immediate supervisor prior to this modification of the workday. (Appendix G)

5.8 Schedule Change for Maintenance & Operations classifications

A one (1) week notice shall be required for any change of work schedule longer than fifteen (15) calendar days.

For the purposes of this section only, change of work schedule means the shift of the unit member's assigned starting and ending time of employment and/or routinely assigned workweek by more than one (1) hour. Increase or decrease in the number of hours worked does not constitute a change of work schedule.

5.9 Reduction in Assigned Time

Any reduction in assigned time shall be accomplished in accordance with the layoff and reemployment procedures of the California Education Code and the layoff provisions of Article 19 of this Agreement.

5.10 Part-Time Assignments

5.10.1 Unit members who are required to work beyond their regularly assigned work hours, but fewer than eight (8) hours per day shall be compensated for all extra time worked at their regular rate of pay on a pro-rata basis of their regular salary, or the prevailing District approved hourly rate, whichever is greater.

5.10.2 When a part-time assignment is increased, the incumbent shall have the first opportunity to accept the additional assignment.

5.11 Lunch Period

Unit members working six (6) hours or more shall be scheduled for a minimum of one half (1/2) hour, uninterrupted, unpaid, duty-free lunch period at the approximate midpoint of their shift.

Lunch periods may not be combined with breaks or used to shorten the workday on a routine basis.

Unit members in the classification of Police Communications Dispatcher who work a continuous shift of six (6) hours or more will be on call through their paid thirty (30) minute lunch period. In the event that an emergency situation interrupts a dispatcher's lunch break, the dispatcher shall be permitted to take the remainder of the break on that same day at a time designated by the supervisor.

Any unit member assigned to work a regular, continuing schedule of eight (8) hours or more per day, in which one-half (1/2) or more of the shift is worked between 10:00 p.m. and 4:00 a.m. shall have a one-half (1/2) hour lunch break included within the eight (8) hour shift.

5.12 Rest Periods/Breaks

5.12.1 Unit members assigned six (6) hours or more shall be permitted two (2) paid, fifteen (15) minute rest breaks; one (1) during the first half of the workday, and one (1) during the second half of the workday. Each unit member assigned from three (3) hours up to six (6) hours shall be entitled to a fifteen (15) minute rest break approximately midway through the work period.

5.12.2 Unit members assigned to a four (4) day, ten (10) hour work day shall be permitted two (2) paid, twenty (20) minute rest breaks; one (1) during the first half of the work day and one (1) during the second half of the work day.

5.12.3 Section 5.11.1 above shall not apply to Lead/Interpreters for the Deaf. Rest breaks provided for all interpreters shall be no less than fifteen (15) minutes. Breaks shall include the ten (10) minute "passing time" between classes, the "attendance" portion of classes, prep time for classes, or any other non-signing time at the beginning or end of the class period. The District shall make every effort to provide team or break interpreters for lecture classes of longer than fifty (50) minutes. Frequency of rest breaks for other classes shall be determined by the District based upon the complexity and intensity of the class. Unit members shall be paid an additive amount according to the following rules:

6.13 Mileage

A unit member required to use his/her vehicle on District business shall be reimbursed at the prevailing IRS rate per mile for all actual miles driven on behalf of the District. The mileage computation shall include mileage necessary to return to the unit member's normal job site after the completion of District business. A second trip between home and work generated by a split-shift assignment shall be considered reimbursable mileage. Unit members required to use some form of public transportation in lieu of a personal vehicle shall be reimbursed for the actual expenses incurred. 6.16 Cell Phone Stipend for IT staff unit members

IT staff unit members that report directly or indirectly to the Director of Information Technology and who are required to have a cell phone for District IT-related business shall receive a monthly stipend added to their gross pay of \$35 per month. Receipt of said stipend does not confer any type of District ownership or property right to the unit member's cell phone or cell phone usage.

6.17 Uniforms

If the District requires a uniform, (e.g. shirts, shoes, hats, jackets), then the uniform must be supplied by the District.

The District will provide shirts to those maintenance and operations unit members who voluntarily choose to wear them. These unit members will be provided a minimum of five (5) shirts in January of each year. If a shirt is damaged during the course of his/her work the shirt will be replaced. A jacket or sweatshirt may be worn over the District provided shirt.

Both the District and the Guild value the importance of a professional appearance among the food service unit members. With this understanding in mind, the parties agree to mutually collaborate on developing a policy and procedure regarding the wearing of uniforms and maintaining a professional appearance while on duty.

6.18 Identification Badges

Those maintenance and operations unit members choosing not to wear the shirts provided by the District, will be required to wear a District provided ID photo identification (ID) badge while on duty except at those times when wearing the badge would be a safety hazard. The employee may choose to cover his/her last name. Badges damaged, lost, or destroyed in the course of his/her work will be replaced at District expense.

6.19 Safety Glasses for the Maintenance & Operations Classifications

Unit members with the equivalent of thirty-six (36) months of verified, paid, full-time and related job experience of at least three (3) months in duration, shall be moved to Step C (Step 3 for the Maintenance & Operations classifications subject to review) of the appropriate range. For purposes of salary placement, 7.5 semester units (or equivalent quarter units) of directly related coursework from a regularly accredited institution will be equivalent to one (1) year of job experience. For purposes of calculation of District short-term non-academic hourly work, (one hundred seventy-three) 173 hours shall be credited as one month of calendar work.

The combination of experience and credits shall not result in placement higher than Step C without specific approval of the Chancellor. AFT shall be notified of any such placements higher than Step C. Such notification shall include the unit member's name, step placement, work location, supervisor's name, and reason for the exception.

Verifications submitted within 120 (one hundred twenty) calendar days from the date of employment will result in retroactive salary placement. All other verifications for initial placement will be effective the first of the month following submission to Human Resources. Any additional initial salary placement verifications submitted after one (1) year from the date of hire will not be accepted.

The AFT will receive a duplicate copy of the salary information form given to the unit member at the time of hire.

Effective January 1, 2008 "shade" Step B of salary schedule A-1, Office/Technical Classifications, for purposes of initial salary placement (minimum entry step will Step C).

In the event that a unit member is required to work on a holiday established in the Education Code, at the discretion of the District they will either be compensated at two and one-half (2-1/2) times their regular rate of pay (for example: 2.5 X \$16.00 regular rate of pay per hour = \$40.00 per hour X 8 hours = \$320.00) OR they will receive their regular rate of pay plus an additional holiday equal to one and one-half (1-1/2) times the number of hours of the original holiday (for example: (\$16.00 regular rate of pay per hour X 8 hours = \$128.00) + (1.5 X 8 hours = 12 hours compensation time off)). The District shall consider the unit member's preferred compensation option. These hours will be scheduled by the unit member in conjunction with the supervisor within thirty (30) days of the original holiday.

6.25 Compensation on Workdays which fall during the period December 25 through January 1

It is the intent of the parties that unit members not be scheduled to work during the period December 25 through January 1. All unit members shall receive compensation for these days as part of their regular monthly salary without having to utilize any type of leave. If critical business needs of the District require that a unit member be scheduled to work on a day which falls during the period December 25 through January 1 which is not one of the Board approved fifteen (15) holidays, at the discretion of the unit member, the unit member will either receive additional hours of straight time pay for all hours worked (provided total hours worked are less than or equal to eight (8) per day) OR he/she will receive an additional day off to be taken no later than the following February 28th. If the day off option is chosen by the unit member, the day off will be scheduled upon mutual agreement between the supervisor and the unit member.

6.26.3 Increases -- The District contribution toward any increase in the current statutory PERS contribution rate (gross salary - 133.33 x .07) shall not be automatically adjusted upward unless mutually agreed to by the parties.

6.26.4 Salary Comparability/Cost Studies -- Since the District's PERS contribution is made in lieu of a salary increase, both parties agree that future calculations of the cost of a one percent (1%) increase of the Classified Salary Schedule shall include District PERS contribution costs. It is also agreed that the District PERS contribution costs should be included in any salary comparability study of benchmark Districts.

6.26.5 Hold Harmless Clause -- AFT shall defend and hold the District harmless against any claims by a unit member or on behalf of a unit member arising out of implementation of this Section 6.18.

6.27 Market Additive

Unit members who retire under the provisions of 7.3.1 shall be eligible for a proportionate share of resources to help defray the cost of District dental and vision insurance premiums. The amount per retiree will vary from year to year based on the number of retirees participating and the cost of benefits.

The contribution amount for the calendar year shall be determined and communicated to eligible retirees during each year's open enrollment period. The amount contributed shall not exceed that which the District currently contributes for active unit members. Eligibility to receive these contributions shall cease the first of the month following the unit member's 65th birthday.

It is the intent of the parties that this program not increase the District's salary and benefit costs.

7.5 District Flex Plan

District agrees to implement Internal Revenue Code Section 125, which allows employers to structure benefit plans to provide options to its employees. Unit members in qualified plans are allowed to earmark pre-tax dollars toward specific uses for health and dependent care. The District offers unit members participation in its Flex Plan for health care premiums, health care expenses, and dependent care expenses. Amounts included in the Flex Plan would not be subject to federal, state or social security taxes.

The District will pay the full cost of any medical examination(s) required of the unit member as a condition of the unit member's employment with the District. Unit members shall be given appropriate release time and travel time for both the administration and reading of the tuberculosis test.

Unit members may submit a request to AFT to borrow from the Computer Fund an amount not to exceed \$2000 (two thousand dollars) for the purchase of computer equipment and/or software. The specific timelines/application forms and procedures will be announced by AFT to all unit members.

AFT will develop a procedure to select the unit members eligible for the loan by lot and will submit a list of the selected buyers to the District. Buyers will be notified by AFT that they have been selected to receive the interest free loan. The buyer must then submit a completed check request/payroll deduction form to the District within thirty (30) calendar days of the notification date. This form will be reviewed and approved by the District. Upon approval the buyer will be issued a check made out to the vendor as soon as practical.

ARTICLE VIII - FAMILY MEDICAL LEAVE ACT/CALIFORNIA FAMILY RIGHTS ACT/PREGNANCY DISABILITY LEAVE (FMLA/CFRA/PDL)

The parties recognize that this language is based on an active body of law and, as changes occur, the law will prevail.

8.1 FMLA/CFRA

8.1.1 Definitions

- FMLA – Family Medical Leave Act administered by the United States Department of Labor.
- CFRA – California Family Rights Act administered by the California Department of Fair Employment and Housing.

These two acts run concurrently.

8.1.2 Conditions

FMLA and CFRA shall run concurrently, except in the case when PDL is used. All District-approved leaves of absence taken in accordance with this Agreement, paid or unpaid, that are FMLA/CFRA qualifying shall run concurrent with the leave provided for under the FMLA/CFRA. The District has adopted the “rolling 12-month period” for determining eligibility. This means that the District will measure back 12 months from the date of the qualifying event. Unused FMLA/CFRA leave shall not accrue from 12-month period to 12-month period.

8.1.3 Eligibility

A unit member is eligible for a FMLA/CFRA leave if he/she: (1) has been employed for at least twelve (12) months; and (2) has a minimum of 1250 (twelve hundred fifty) hours of service (hours worked) in the twelve (12) month period immediately preceding the leave.

8.1.4 Notice

Unit members wishing to take family and medical leave must provide the District with at least thirty (30) days' advance notice before the leave is to begin if the need for the leave is foreseeable. If thirty (30) days' advance notice is not practicable, the unit member must give the District notice as soon as practicable. The notice to the District shall include the anticipated start date and the duration of the leave. Whenever a unit member provides notice to the District of the need for FMLA leave, the District is required to provide the unit member with a notice detailing the specific expectations and obligations of the unit member and explaining any consequences of the failure to meet these obligations.

8.1.5 Duration

FMLA/CFRA leave credit can be used up to a maximum of twelve (12) weeks per entitlement year. Leaves of absence taken in accordance with this Agreement may exceed twelve (12) weeks; however, nothing in this Agreement is intended to extend the provisions of the FMLA/CFRA. A unit member's entitlement to leave for the birth or placement of a child for adoption or foster care expires twelve (12) months after the birth or placement.

8.1.6 FMLA/CFRA Qualifying Reasons

Leaves taken for the following reasons are "FMLA/CFRA qualifying":

1. The birth of a child of the unit member, and to care for the newborn child;
2. The placement of a child with the unit member for adoption or foster care;
3. Providing for the care of the unit member's parent, child, spouse or domestic partner who has a serious health condition;
4. Because of a serious health condition that makes the unit member unable to perform the essential functions of his/her position.

Unlike the FMLA, CFRA does not include pregnancy or related medical conditions within the definition of serious health condition (refer to Article 8.2).

8.1.7 Medical Certification

Unit members shall be required to furnish medical certification of the serious health condition that is the basis for the FMLA/CFRA leave. Failure to do so may result in delay in granting the FMLA/CFRA leave.

8.1.7 Medical Certification (Continued)

Medical certification required for the unit member's own serious health condition shall include:

- (1) the date when the serious health condition began;
- (2) the probable duration of the condition; and
- (3) a statement that due to the serious health condition, the unit member is unable to perform the essential functions of his or her position.

Medical certification is required when the unit member requests leave for the care of the unit member's seriously ill child, parent, spouse or domestic partner and shall include:

- (a) the date on which the serious health condition commenced;
- (b) the probable duration of the condition;
- (c) an estimate of the time the health care provider believes the unit member needs to care for the individual requiring the care; and
- (d) a statement that the serious health condition warrants the participation of a family member to provide care.

The District also may require that the unit member obtain subsequent recertification on a reasonable basis, such as upon the expiration of the period of leave originally estimated. The District also may require an employee on FMLA leave to report periodically on the employee's status and intent to return to work.

8.2 FMLA/PDL

8.2.1 Definition

- FMLA – Family Medical Leave Act administered by the United States Department of Labor.
- PDL – Pregnancy Disability Leave.

These two acts run concurrently.

8.2.2 Conditions

A unit member affected or disabled by pregnancy related conditions, is eligible for an unpaid Pregnancy Disability Leave. PDL shall run concurrently with FMLA only. All District-approved leaves of absence taken in accordance with this Agreement, paid or unpaid, that are FMLA/PDL qualifying shall run concurrent

8.2.2 Conditions (Continued)

with the leave provided for under the FMLA/PDL. All other conditions noted in Article 8.1.2 shall apply.

Separately CFRA leave may, but need not, commence once the child is born. When the child is born, the woman has a choice of either continuing on FMLA/PDL until the disability period ends and then beginning CFRA bonding leave, or commencing CFRA bonding leave immediately. CFRA bonding leave need not be taken right after the baby is born but, if taken, must be concluded within one year of the child's birth.

8.2.3 Eligibility

Pregnancy Disability Leave is available to probationary unit members upon the date of hire. PDL is available to permanent unit members and will run concurrently with FMLA.

8.2.4 Notice

Unit members wishing to take FMLA/PDL must provide the District with at least thirty (30) days' advance notice before the leave is to begin if the need for the leave is foreseeable. If thirty (30) days' advance notice is not practicable, the unit member must give the District notice as soon as practicable. The notice to the District shall include the anticipated start date and the duration of the leave. Whenever a unit member provides notice to the District of the need for FMLA/PDL leave, the District is required to provide the unit member with a notice detailing the specific expectations and obligations of the unit member and explaining any consequences of the failure to meet these obligations.

8.2.5 Duration

The duration of the Pregnancy Disability Leave, including any paid leave taken due to pregnancy related disability, shall not exceed four (4) months. Leaves of absence taken in accordance with this Agreement may exceed four (4) months; however; nothing in this Agreement is intended to extend the provisions of Pregnancy Disability Leave as allowed by law.

8.2.6 FMLA/PDL Qualifying Reason

The qualifying reason is when a woman's pregnancy precludes her from performing her job (i.e. her absence from work is medically necessary because she is disabled by pregnancy).

8.2.7 Medical Certification

The District shall require medical certification of disability if the absence is longer than five (5) days. Medical certification shall include the date of disability and the probable duration of the disabling condition. The District also may require that the unit member obtain subsequent recertification on a reasonable basis, such as upon the expiration of the period of leave originally estimated. The District also may require a unit member on FMLA/PDL leave to report periodically on the unit member's status and intent to return to work.

8.3 Compensation

Leaves as described in this Article are unpaid, except to the extent that paid accrued leave is used concurrent with these leaves.

8.4 Maintenance of Health Benefits

The District shall maintain the unit member's health benefits coverage during the leave period as if the unit member were still actively working.

8.5 Reinstatement

The District shall reinstate a unit member on leave as provided for by this Article and the requirements of the law, to an equivalent position with the same pay and benefits, upon the unit member's timely return from leave.

ARTICLE IX - HOLIDAYS

- 9.1 Each unit member shall be entitled to fifteen (15) paid holidays each year provided that he/she is in a paid status during any portion of the working day immediately preceding or succeeding the holiday. Unit members who have less than a 1.0 FTE assignment, and who are assigned a “flexed” schedule, shall be entitled to any holiday which falls within a month when the unit member receives compensation. Eligible holiday hours will be subtracted from the hours to be worked. (See chart in Appendix E.) All holidays shall be designated by the Board of Trustees by adoption of the District's Academic Calendar.
- 9.2 Unit members shall be granted time off without loss in compensation on any scheduled workday which falls during the period December 25 through January 1 and is not one of the aforementioned fifteen (15) holidays.
- 9.3 If a unit member’s workweek is other than Monday through Friday, and as a result the unit member loses a holiday to which he or she would otherwise be entitled, the District shall provide a holiday in accordance with Education Code requirements. The Education Code provides that all eligible unit members are entitled to paid holidays if they are in a paid status during any portion of the working day immediately preceding or succeeding the holiday, therefore, holiday hours for all other unit members shall be recorded based on the number of hours the unit member was scheduled to work on the day designated as a holiday.

Only in cases where only one (1) holiday falls within the (eighty) 80 hour work schedule, unit members on a 9/80 alternative work week schedule shall adjust their work schedule so that their eight (8) hour day falls on the designated holiday.

If a holiday falls on a workday when a unit member is not assigned to work, he/she shall be granted an equivalent day off during the pay period. If the holiday results in a three (3) day weekend, the rescheduled day off shall result in a three (3) day weekend.

- 9.4 AFT shall be represented on any District-wide committee established to study the District's Academic Calendar. The committee shall serve to represent the concerns of the interested parties by the formulation of recommendations to the Chancellor, or his designated representative. Subsequent to the final recommendation of the District Calendar Committee to the Chancellor or her/his designee, the AFT Guild will have the right to submit an independent recommendation of an academic calendar. If the Guild elects to submit an independent recommendation, that recommendation will be docketed for consideration by the Board in addition to the Chancellor’s recommendation.

9.5 District unit members assigned to military programs shall have the following holidays:

Independence Day	Christmas Holiday (2 days)	Washington Day
Labor Day	New Year Holiday (2 days)	Memorial Day
Veterans Day	Martin Luther King Day	Lincoln Day
Thanksgiving (2 days)	Columbus Day in lieu of Admissions Day	Cesar Chavez Day

Exceptions may be approved by the appropriate manager. The advanced hours shall not exceed the balance to be accrued during the remainder of the fiscal year.

If a unit member is terminated and had been granted vacation which was not yet earned at the time of termination of his/her services, the employer shall deduct from the unit member's final check the full amount of salary which was paid for such unearned days of vacation taken.

10.2 Application for Benefits

Unit members shall schedule their vacations with the prior approval of the immediate supervisor and the appropriate manager. In cases of emergency or unusual circumstances the supervisor/manager may waive the requirement of prior approval. All requests for vacation shall be made in writing to the immediate supervisor, on the form prescribed by the District. In cases where the vacation request is for more than five (5) days, the unit member shall endeavor to provide the supervisor with at least ten (10) working days notice in advance of the vacation. If a response is not received within five (5) working days of the request, the unit member shall have the right to discuss the request with the next level supervisor.

If the vacation request is denied by the unit member's immediate supervisor, the unit member may request that the reason for the denial be in writing. In the case of denial, the unit member shall have the right to discuss the vacation denial with the next level of supervision for the purpose of reconsideration. If the next level supervisor also denies the request, said unit member may request that the reason for the denial also be in writing.

Vacation may be taken in increments of one (1) hour or more. The District shall be held harmless for vacation denials where the unit member has failed to secure vacation approval prior to making travel commitments.

10.3 Vacation Allowance

Vacations shall be earned and accrued on a monthly basis by regular monthly unit members as follows:

10.4 Break In Service

10.4.1 Only Military leaves and approved unpaid leaves of ninety (90) calendar days or less are credited as continuous service for vacation eligibility purposes, but vacation days are not accrued during such leaves.

10.4.2 Unit members who have had a break in service will be given credit only for the total months of service with the District except that service broken for periods of less than ninety (90) calendar days shall be disregarded when computing the number of full months completed.

Unit members on extended unpaid leave may request that their accrued vacation not be paid during the period of the approved leave.

10.7 Unit Members Stationed on Military Facilities

Certain unit members are assigned permanent work stations on military facilities. When such facilities are closed for winter recess, the District will attempt to provide an alternate work assignment and location. If none can be provided, the unit member will be required to schedule vacation.

The balance of the fiscal year's worth of sick leave allocation will be advanced prior to utilizing the half salary sick leave hours.

ARTICLE XII - LONG-TERM LEAVES OF ABSENCE

12.1 Eligibility

Long-term leaves of absence (those in excess of thirty [30] calendar days) may be granted at the discretion of the District. Unit members not permanent with the District are only eligible for Pregnancy Disability Leave or Military Leave. Leave taken under this article that qualifies as Family Medical Leave (FMLA)/California Family Rights Act Leave (CFRA) shall run concurrently with leave provided under Article VIII (FMLA/CFRA).

12.2 Application for Leave

All requests for leave shall be in writing upon the appropriate form prescribed and provided by the District, with all necessary documentation attached such as physician's statement of incapacity or prepared study program. Requests shall be submitted to the immediate supervisor not less than ten (10) days prior to the beginning date of the leave unless extenuating circumstances do not permit advance notification.

12.3 Authorized Uses

Long-term Leaves may be authorized for the following uses:

12.3.1 Paid Professional Study Leave for unit members in Office/Technical Classifications

The purpose and intent of this leave program is to promote professional growth and to assist in the District's commitment to succession planning. Requests for Professional Study Leave must be accompanied by an outline, in writing, of the plan that is to be followed and the institution to be attended. In addition, a clear statement must be included in the request indicating the need for educational study and the potential value to the District upon completion of such study.

Professional study leaves are not to be used for job related trainings/workshops/short courses that are required by the District for performance in their current assignment.

12.3.1.1 Eligibility

Unit members shall be eligible for a professional study leave after six (6) consecutive years of contract classified service to the District in this unit. Unit members who have completed a professional study leave are ineligible for a subsequent professional study leave until completion of an additional six (6) consecutive years of contract classified service to the District in this unit. Time spent on a professional study leave may not be included in any such six-year (6) period. Promoted probationary unit members are not eligible for this leave.

12.3.1.1 Eligibility (Continued)

Unit members whose last evaluation or documented performance was substandard, or who have been involved in any type of discipline higher than a written reprimand during the last six (6) months preceding the request for leave shall not be eligible to apply for a professional study leave.

12.3.1.2 Number of Leaves

There will be a maximum of nine (9) leaves granted for each fiscal year.

12.3.1.3 Timeline

The unit member must submit her/his request to her/his immediate supervisor no later than the date specified in the calendar below. The supervisor must approve or disapprove the request in writing on the District form within fifteen (15) calendar days of receipt of the application from the unit member.

In cases where the immediate supervisor denies the leave request, the unit member may appeal the decision to her/his next level supervisor. The decision of the next level supervisor must be in writing and must be rendered within ten (10) calendar days of the submission of the appeal.

Following the immediate supervisor's (or higher level manager's) approval, the request shall be sent to a district committee consisting of four (4) unit representatives, one each appointed by each of the four (4) classified senates. One (1) alternate will also be appointed from each senate. The AFT will appoint a non-voting chair to convene the committee and ensure all processes are followed. This committee shall have final approval over the granting of said leaves.

The final decisions of the supervisor/manager and the committee shall not be grievable.

12.3.1.3 Timeline (Continued)

Calendar:

12.3.1.4 Course of Study

Applicants for professional study leaves are expected to carry a full program of academic work as determined by the institution or industry certified agency where the program of study is to take place.

Prior to submitting the request for leave, the unit member should have determined personal eligibility or admission to the institution and completed as much preplanning as possible regarding the program. Ineligibility for admission to the named institution will result in the cancellation of the leave.

The application should include the name of the institution that will be attended, the number of units that will be carried, courses that may be taken, (including course number, title and description, if available at the time of application), and the degree that will be received, if any. If specific courses are not known at the time of applying for the leave, a list of courses shall be sent to the committee prior to enrollment. Applicants are required to earn a grade of "C" or above in each course taken. The applicant is expected to earn credit for each course taken as part of the approved leave program.

12.3.1.5 Compensation

Unit members on professional study leaves shall receive full salary with no loss in compensation or benefits for one semester of full-time study, up to a maximum of sixteen (16) weeks. Professional study leave beyond the sixteen (16) weeks shall be unpaid but must be requested at the time of the initial application. Time on professional study leave shall be counted as regular service for purposes of salary advancement, reclassification, and service credit for retirement purposes.

The AFT will reimburse the District for any hourly backfill or out-of-class assignments which occur as a result of the leave from its resource allocation pool of funds. Up to three (3) weeks of training, for any hourly backfill, will also be paid out of AFT's resource allocation pool of funds.

12.3.1.6 Bond

Every unit member, as a condition to being granted this leave, shall agree in writing to render a period of service in the employ of the District following his/her return from the professional study leave, which is equal to twice the period of the leave. Unit members not completing the agreed upon service will be subject to the conditions set forth below.

The unit member must post a bond in an amount equal to the unit member's contract salary while on professional study leave indemnifying the District against loss in the event the unit member fails to render the agreed-upon period of service in the employ of the District upon return of the unit member from the professional study leave, or if he/she fails to meet the provisions of 12.3.1.8.

A unit member who has completed a professional study leave and who either leaves the District before fulfilling the service obligation or fails to meet the provisions of 12.3.1.8 below shall reimburse the District in the amount due for the portion of the unfulfilled obligation no later than the last day of employment with the District.

AFT Guild members are eligible to receive indemnification via the Guild as a benefit of their membership in the Guild in lieu of posting a bond. The Guild agrees to indemnify the District for these members. A copy of this indemnification agreement will be executed by the Guild, the member, and the District, and will remain on file with the District.

12.3.1.7 Accident or Illness

Interruption of the leave by serious accident or life-threatening illness, evidence of which is required, shall not prejudice a unit member with regard to the fulfillment of the conditions under which the leave was granted, nor affect the amount of compensation to be paid each unit member under the terms of such leave. However, the appropriate President/Vice Chancellor must receive prompt notification of such accident or illness, which in general shall be by registered or certified letter mailed within ten (10) days of such accident or illness and the unit member's sick leave shall be charged from that time forward. It is the responsibility of the President to communicate such change in leave plans to the Vice Chancellor, Human Resources. In case of death of the individual while on leave, his/her estate shall not be required to fulfill the conditions upon which the leave was granted, but payment of salary by the District shall cease upon such death.

12.3.1.8 Return to Service

At the expiration of the leave, and in the absence of other mutual agreement between the unit member and the District, the unit member shall be reinstated in the same assignment held prior to the granting of the leave.

Not later than six (6) weeks after return to duty, each unit member returning from professional study leave shall file with the committee evidence that the specific courses stated in the application have been satisfactorily completed. Evidence of fulfillment of a formal study leave is an official transcript showing all courses completed and degrees granted. In cases where satisfactory completion of the leave cannot be demonstrated, the unit member is liable for the reimbursement of the bond referred to in 12.3.1.6.

12.3.2 Health Leaves

A unit member, with insufficient leave or accrued employment time to qualify for sick leave, or who desires not to utilize accrued sick leave, may apply for Health Leave without pay. All requests for health leave must be accompanied by a physician's statement of incapacity, and return to duty is dependent upon evidence of recovery.

The Chancellor may grant other long-term leaves at his/her discretion. The Chancellor's decision of approval or denial of the request shall be final.

12.3.7 Employee Organization Leave

Notification of a unit member's intent to take Employee Organization Leave shall be submitted to the Vice Chancellor of Human Resources no later than thirty (30) days prior to the starting date of the leave. In addition to the leave benefits granted to representatives of employee organizations by law, unit members on employee organization leave shall not accrue vacation credit, nor submit time reports for vacation leaves. Sick leave shall continue to accrue and sick leave time reporting shall be processed through the Vice Chancellor of Human Resources. AFT shall notify the District no less than sixty days (60) prior to the return to service of a unit member on Employee Organization Leave.

ARTICLE XIV - INDUSTRIAL ACCIDENT AND ILLNESS LEAVE

14.1 Eligibility

Industrial Accident and Illness Leave shall be available to members of the bargaining unit as authorized by Education Code Section 88192, the Labor Code, and other applicable Workers Compensation Laws. Leave taken under this Article that qualifies as Family Medical Leave (FMLA)/California Family Rights Act Leave (CFRA) shall run concurrently with leave provided under Article VIII.

14.2 Definition

For the purposes of this Article, an Industrial Accident or Illness leave shall be defined as disability absences resulting from an injury or illness, as determined to be a valid Workers' Compensation claim by the District's Workers' Compensation insurer or Claims Administrator. If a Workers' Compensation claim is denied, the affected unit member may appeal his/her claim to the Workers' Compensation Appeals Board pursuant to Sections 5270 et. seq. and Sections 5300 et. seq. of the Labor Code and other applicable laws.

14.3 Notification

The District shall provide unit members when first employed and annually thereafter, with written notification of their rights, benefits and obligations under Workers' Compensation laws including but not limited to unit members' rights pursuant to Title 8, Section 9782 of the California Code of Regulations, to select a medical care provider prior to a work-related accident or illness. The District shall post and keep posted in conspicuous locations frequented by unit members a notice of their rights, benefits and obligations under Workers' Compensation laws as per Title 8 of the California Code of Regulations, Section 9881. Other relevant notification requirements as specified by the Labor Code or the California Code of Regulations shall also apply.

14.4 Application for Industrial Accident and Illness Leave

A unit member shall report to his/her immediate supervisor any incident in the workplace that involves or may involve injury or illness immediately or as soon as possible after the occurrence.

Separate applications for leave shall be made to the unit member's immediate supervisor for each time reporting period only on the District provided leave form.

Each application shall be accompanied by the treating medical provider's signed statement, either on the District's prescribed forms or on the medical provider's official stationery or appropriate form, specifying the duration of the leave.

14.5 Leave Allowance

As authorized by Education Code 88192, the District provides a total of up to sixty (60) days of full pay leave for each industrial accident or illness commencing on the first (1st) day of absence. For the purposes of this Article, a full day of leave is equivalent to the unit member's usual workday. When an Industrial Accident or Illness Leave overlaps into the next fiscal year, the unit member shall be entitled to only the amount of unused leave due him/her for the same illness/injury, but in no event shall the leave exceed sixty (60) days. Industrial Accident or Illness Leave shall not accumulate from year to year.

Industrial Accident leave will be reduced by one (1) day for each day of authorized absence regardless of a compensation award made under Workers' Compensation.

In the event that an absence has not been approved as a valid Industrial Accident or Illness Leave when the payroll for the unit member is being computed, the unit member's normal sick leave balance will be charged for any absences which have been supported by a physician's written statements. Upon subsequent notification that the absence has been accepted as an Industrial Accident or Illness the regular sick leave balance will then be adjusted to its previous balance.

14.6 Compensation

The District provides the unit member his/her regular salary during the first sixty (60) working days of each approved industrial accident claim commencing with the first (1st) day of absence. Thereafter, the unit member will have the option of receiving his/her regular pay utilizing any temporary disability allowance he/she is receiving combined with accumulated sick leave, accumulated compensatory time off, accrued vacation and/or days of half-salary sick leave. The amount of sick or other paid leave will be used only in the amount needed to provide the normal wage or salary. If the unit member chooses not to utilize any paid leave(s) he/she must notify the District Payroll Department in writing of this intent prior to the leave(s) being used.

In no event shall the unit member, for any period of disability, receive compensation greater than his/her normal salary.

A unit member on paid leave due to an industrial illness or injury is entitled to all salary increases he/she would normally receive.

Any drafts or checks received by the unit member representing temporary disability benefits payable under the Workers' Compensation laws for a period of disability for which the unit member is receiving full salary shall be endorsed and given to the District.

Approved costs related to medical care, temporary and permanent disability payments, job displacement benefits, travel expenses and death benefits shall be paid as required by law.

14.7 Return to Work

Prior to returning from a work-related injury or illness, unit members must provide a written clearance from the treating physician indicating fitness to return to work. The District may require at its expense a medical evaluation prior to the unit member's return to work. If necessary the District shall provide a description of job duties to the physician(s) for use in determining the unit member's fitness to return to work. In cases where the unit member has been on leave for thirty (30) calendar days or more, the unit member must provide a written clearance from the attending physician(s) not less than three (3) workdays prior to the returning to work.

Upon return to work, the unit member shall file within five (5) days for any remaining leave taken and not covered under previous applications.

Return to work with work restrictions shall be at the discretion of the District.

14.8 Unpaid Health Leaves

After all paid leaves have been exhausted, and the unit member is not medically cleared to report to work, the unit member may request an unpaid leave. Approval of such request shall be at the discretion of the District.

14.9 Absence Beyond Expiration of All Leaves

14.9.1 When all available paid or unpaid leaves of absence have been exhausted and the unit member is not medically cleared to resume the regular duties of his/her position, the unit member shall either retire, if eligible, resign, or be dismissed for reasons of health. The unit member's name shall be placed on a reemployment list for a period of thirty-nine (39) months.

14.9.2 If the unit member is medically cleared by the District during the thirty-nine (39) month period, the unit member shall be reemployed in a vacant position in the class of his/her previous assignment over all other available candidates, except for a reemployment list established because of lack of work or lack of District funds. A unit member who has been medically cleared by the District for return to duty, and is not placed in a regular position or who refuses to accept an appropriate assignment, shall have his/her name removed from the reemployment list upon expiration of the thirty-nine (39) month reemployment period.

14.9.3 A unit member unable to return to work in his/her regular assignment or whose position cannot be modified shall be notified of and entitled to job displacement benefits as prescribed by law.

14.10 Absence from State

Any unit member receiving benefits as a result of this Section, shall, during periods of injury or illness, remain within the State of California unless the District authorizes travel outside the State.

Courses must have been enrolled in and credits must have been earned subsequent to the unit member's employment with the District. Official transcripts verifying a grade of "C" or above will be considered proof of satisfactory completion, in addition to the Educational Incentive Program Request for Salary Advancement Form, shall be provided by the eligible unit member and forwarded to the Office of Human Resources. Units of credit obtained more than one (1) year prior to promotion cannot be applied toward step movement after promotion.

15.2.2 In recognizing the importance of education, the District agrees that at the discretion of the appropriate manager, the workday may be adjusted to accommodate classified unit members to attend approved courses.

15.3 Tuition Reimbursement

The unit member will also have the option to return to the same position he/she just vacated, provided the position has not been offered to another applicant. Unit members who are not permanent District employees may not return to the previous classification without the approval of the supervisor of the vacancy at the lower classification. If the unit member chooses to return to the same position he/she just vacated, the unit member shall state her/his intention to do so in writing, with copies provided to her/his current supervisor, the supervisor of the position to which he/she wishes to return, and Human Resources. A transfer application request shall not be required in this case. The unit member shall be returned to her/his former position within ten (10) working days of submission of the written statement of intent. Such action shall not be considered to be a demotion.

ARTICLE XIX - SENIORITY, LAYOFF, AND REEMPLOYMENT

19.1 Seniority

Seniority is based on length of continued service with the District as a classified unit member. For the purposes of this Article, "length of service" shall be based upon the unit member's original hire date in classified service.

19.1.1 Seniority is accumulated in any classification in which the unit member holds regular paid status. Unit members who move to an equivalent or higher classification accumulate seniority in that classification, and also continue to accumulate seniority in the former (equivalent or lower) classification. Unit members who move to a lower classification retain their seniority in their former (higher) classification. Higher classification shall be those classifications which have a higher present value salary range allocation.

19.1.2 Seniority shall be accumulated during absences due to illnesses, layoffs, or leaves of absence as long as such seniority is not terminated in accordance with other provisions of this Agreement. Date of service in class and date of employment in the classified service shall be adjusted to reflect any break in service.

19.2 Notice of Layoff

Unit members are subject to layoff for lack of work or lack of funds. The District shall notify AFT not less than forty-five (45) calendar days in advance of the effective date of the proposed layoff. The District will provide AFT, without charge, one (1) copy of the affected unit member's seniority listing, including original hire date, original start date within the current job classification, and each unit member's seniority within his/her job classification no later than thirty (30) days prior to implementation of the layoff process. Notices to unit members shall be in accordance with the statutory requirements in effect at the time that the determination to layoff is made.

19.3 Order of Layoff

Any layoff shall be effected within a class. For the purposes of determining the order of layoff within the affected class, "class" shall include the contract months and full time equivalent (FTE) of the position. The order of layoff shall be based on length of service within that class and higher classes throughout the District. A unit member with the least seniority within the class plus higher classes shall be laid off first. In the event that unit members have the same hire date in classification, the District hire date in classified service shall prevail. In the event unit members have the same date of hire in the classified service, a lottery shall determine the order of seniority.

19.4 Seniority Shall be Broken for Any of the Following Reasons:

19.4.1 A unit member resigns or quits, except as provided in the Education Code Section 88128.

19.4.2 A unit member is discharged for just cause.

19.5 Bumping Rights

When it becomes necessary to reduce the work force in any classification, classification seniority shall prevail. Seniority shall also be granted by unit member status; that is, restricted status unit members shall be reduced first; then, probationary unit members; and finally, permanent unit members within the classification. In the case of layoff in any classification, the unit member so laid off, in accordance with his/her classification seniority, may bump any unit member with less classification seniority in the following order:

19.5.1 Lateral classifications with equal FTE and months of service in which the unit member has served in permanent status.

19.5.2 Positions within the current class with less contract months/FTE.

or

Lower classifications where the unit member so laid off has served in permanent status with equal months/FTE.

or

Lower classifications where the unit member so laid off has served in permanent status with less contract months/FTE.

Order of bumping rights shall begin with that position in which his/her salary placement most closely equals the salary he/she presently earns and descend in order of closest salary equivalency.

19.5.3 In the event the unit member so laid off has at least five (5) years of classified service with the District and has no bumping rights under 19.4(1) or 19.4(2) above, he/she may bump any unit member with less District seniority in an equal or lower classification within the same job family, when the senior unit member has the minimum qualifications necessary for satisfactory performance in that classification. However, a unit member in a lower classification may not bump a unit member in a higher classification regardless of his/her seniority.

19.5.4 In the case of a bona fide hardship, a unit member may contact Human Resources within five (5) working days to request the circumstances be reviewed and other placement be considered.

19.6 Job Family Defined (See Appendix H-1 & H-2 for a more detailed description)

Job family shall mean those classification series such as:

19.8 Rehire

19.8.1 When the District rehires any unit member in any job classification, unit members on layoff from said job classification shall be rehired in reverse order in which they were laid off.

19.8.2 Unit members who have completed a probationary period shall be rehired without having to serve an additional probationary period.

19.9 Unit Member Notification to the District

19.9.1 Unit members are responsible for notifying the District Employment Office of any changes of address in order to assure they will receive timely reemployment offers. Such offers will be sent to the last known address by certified mail. AFT will be included in the notification.

19.9.2 A unit member who is offered reemployment with the District shall have three (3) days to accept or reject the offer. Upon acceptance of reemployment, the unit member shall have two (2) weeks to report for work.

19.9.3 A unit member need not accept the reemployment offer to maintain eligibility on the reemployment list, provided that the unit member notifies the District of the refusal of reemployment within three (3) days of receipt of the reemployment notice.

19.10 Impact/Effects of Layoff

19.10.1 Laid-off unit members shall continue to receive District-paid medical benefits for ninety (90) days beyond the end of the month in which the layoff is effective.

19.10.2 Unit members subject to layoff shall be authorized to use up to seven (7) days of Personal Necessity Leave prior to the effective date of the layoff in order to seek outside employment.

19.10.3 The District shall utilize laid-off unit members for hourly work to the extent that such unit members are available for hourly employment. Such unit members interested in hourly work must file a letter to that effect.

19.10.4 In the event a layoff has the impact of increasing/changing a unit member's assignment/workload, the following shall apply: a) In the case of a change in assignment causing a unit member to perform duties not in his/her current classification, the unit member may utilize the provisions of Article XVIII - Classification, Reclassification; b) In the case of increased workload within his/her classification, the appropriate supervisor/manager shall meet with the affected unit members to discuss expectations for performance under the provisions of Article XVI.

19.11 The provisions of this Article reflect the party's complete and total agreement on the subject of layoff and its effects. The District and the Union fully intend to carry out the applicable requirements of this Article and the Education Code related to layoff. Any applicable requirement of the law that exceeds this Agreement will be met.

ARTICLE XX - DISCIPLINE AND DUE PROCESS

20.1 Definitions and Rights

20.1.1 Within the parameters as set forth in the following Sections of this Article XX, the District shall maintain the right to warn, reprimand, suspend, demote or discharge any unit member only for cause.

20.1.2 Discipline includes counseling sessions, written warnings, written reprimands, suspensions without pay, demotions, reduction in step or compensation, or dismissals for cause. Disciplinary procedures must be initiated no later than ninety (90) calendar days (sixty (60) calendar days for Maintenance & Operations classifications) following the occurrence or knowledge by the District of said incident. In the case where a unit member demonstrates either continuing or repeated problems, or several infractions which all relate to one of the causes delineated in Section 20.1.6 below, the unit member may be disciplined on all such incidents occurring within a two (2) year period preceding the filing of the notice of cause. Any documentation regarding incidents of misconduct which occurred during this two (2) year period preceding the filing of the notice of cause must have already been placed in the unit member's official personnel file.

For unit members in Maintenance & Operations classifications only, discipline can be delayed up to one (1) year following the occurrence or knowledge of said incident by the supervisor in cases involving (a) through (e) below:

- a. Those circumstances where the act or omission or other allegation is also the subject of criminal investigation or criminal prosecution;
- b. The investigation involved an employee who is incapacitated or otherwise unavailable;
- c. The investigation involves a matter in civil litigation where the employee is named as a party defendant;
- d. The investigation involves a matter in criminal litigation where the complainant is a criminal defendant;
- e. The investigation involves an allegation of worker's compensation fraud on the part of the unit member

All documentation of misconduct resulting in discipline must be placed in the unit member's official personnel file within thirty (30) days of the imposition of the discipline. No reprisal of any kind shall be taken against a unit member based upon materials, which are not in the personnel file in the central Human Resources Office.

No disciplinary action shall be taken for any cause that arose prior to the unit member becoming permanent or for any cause that arose two (2) years before the date of filing of the notice of cause, unless the cause was concealed or not disclosed by the unit member when it could be reasonably assumed that the unit member should have disclosed the facts to the District.

20.1.3 When problems arise in the performance of assigned duties and responsibilities, the District will make reasonable attempts to assist the unit member in correcting those problems. When discipline is warranted, such discipline shall be:

1. Administered progressively;
2. Based upon thorough investigations of allegations of misconduct;
3. Proportionate to the alleged offense.

Nothing herein shall limit the District's ability to respond to serious offenses by taking action not usually prescribed as an initial step in a progressive discipline process.

20.1.4 Unit members shall be free from disciplinary action without proper regard for due process as defined in this Article and as required by law. The burden of proof shall at all times remain with the District.

20.1.5 A unit member absent from duty without authorized leave for five (5) consecutive working days shall be considered to have voluntarily resigned, and shall be so notified in writing. The affected unit member shall be provided the opportunity to meet with her/his supervisor if a request for such a meeting is made within five (5) working days of the proof of mailing of the notice. If, after this meeting with her/his supervisor, the unit member believes that separation from the District was not justified, he/she shall have the right to request mediation by the State Mediation and Conciliation Service. If the parties fail to reach a mediated agreement, the mediator shall be asked to issue a definitive ruling.

20.1.6 No permanent unit member shall be dismissed or disciplined except for one or more of the following causes:

1. Intentionally falsifying information supplied on District personnel records or any other District records;
2. Absence from assigned District work without reasonable cause and proper authority; or failure to report to District work after leave of absence has expired, or after such leave of absence has been disapproved or revoked and canceled.
3. Threatening, coercing, intimidating, assaulting, or interfering with employees or supervisors at any time, or in any way violating District policies and procedures relating to workplace violence;
4. Unauthorized soliciting or collecting of contributions on District premises;
5. Unauthorized distribution of literature, or written or printed matter in an area of the District not authorized for the public;
6. Misuse or unauthorized removal from District premises of records, equipment, files, documents, or confidential information;
7. Theft or misappropriation of property of employees or of the District;

8. Permanent or chronic physical ailment or defect which, subsequent to the exhaustion of all paid sick leave, incapacitates the unit member from the proper performance of essential job functions even with accommodations;
9. Conviction of a criminal offense involving moral turpitude, which shall be construed to mean any act of baseness, vileness or depravity; or any act contrary to justice and honesty; or any act done with deception, or through corrupt motives. The commission or conviction of certain minor offenses do not fall within the scope of this definition;
10. Negligence or willful misconduct during assigned work hours or on District premises which has caused damage to public property or a waste of District supplies;
11. Incompetence, neglect of duty, or inefficiency in the performance of assigned duties;
12. Solicitation or acceptance for personal use of a fee, gift, or other valuable thing in the course of assigned work in exchange for providing favorable or better treatment than that afforded other persons;
13. Engaging in activity which is a conflict of interest as defined in District policy or state law;
14. Intentional disobedience of a lawful order or directive given by the unit member's supervisor or any other superior with authority to make the order or directive, or insolent behavior that challenges the supervisor's authority or any other supervisor or manager;
15. Sexual or any other unlawful harassment;
16. Disorderly conduct which hinders the regular or normal operation of the District;
17. Off the job misconduct for which a job nexus exists;
18. Making or publishing of false, vicious or malicious statements concerning any District employee, supervisor or manager when such statements are not actually protected by the First Amendment;
19. Any conduct that is not otherwise protected by law and is of such a nature that it causes discredit to the District, or is in conflict with the furtherance of District goals and objectives;
20. Hindering the regular or normal operation of the office or site because of excessive absenteeism from the unit member's District assignment;
21. Performance of District assigned work while under the influence of alcohol or any illegal intoxicants;
22. Violation of any lawful or official District policy, procedure or regulation.

20.2 Due Process

- 20.2.1 All permanent unit members shall be provided a pre-disciplinary hearing conducted by the appropriate management employee next in line to the recommending supervisor, prior to implementation of any disciplinary action more severe than a five (5) day suspension.
- 20.2.2 For disciplinary actions of suspension or other loss in compensation or property rights equal to or less than in severity to a five (5) day suspension, the pre-disciplinary hearing process delineated in Sections 20.2.4 and 20.2.5 below may be held after the imposition of the discipline. All of the other provisions of Sections 20.2.4 through 20.2.7 shall still apply in these cases.
- 20.2.3 With the exception of those cases where Section 20.2.2 above applies, all unit members who are either orally or in writing directed not to return to work pending an investigation, or pending the imposition or the possible imposition of discipline, shall be considered to be in paid administrative leave status.

20.2.4 Notice of Pre-Disciplinary Hearing

In all discipline cases requiring a pre-disciplinary hearing, notice of such discipline shall be made in writing and served upon the unit member in person or by registered or certified mail. The notice shall include the following:

1. A statement of the proposed disciplinary action;
2. A statement of the charges from Section 20.1.6 of this Article upon which the proposed disciplinary action is based;
3. A statement of the facts and evidence upon which the proposed disciplinary action is based;
4. A statement of the unit member's right to review or receive copies of any and all supporting documents or evidence related to the alleged misconduct upon which the proposed disciplinary action is based;
5. A statement of the unit member's right to respond orally or in writing or both;
6. A statement of the unit member's right to have representation at the pre-disciplinary hearing.

20.2.5 Pre-Disciplinary Hearing Timelines

The unit member must respond to the pre-disciplinary notice no later than ten (10) working days after delivery of the written notice. The pre-disciplinary hearing date and time shall be set no sooner than fifteen (15) working days after delivery of the written notice, unless an earlier or later date is mutually agreed upon. After the pre-disciplinary hearing has been concluded and all pertinent facts have been reviewed, the hearing officer shall notify the unit member and his/her representative in writing of the final decision regarding the recommended discipline within twenty (20) working days of the pre-disciplinary hearing.

If a unit member of the Guild elects to be represented by the Guild in a disciplinary matter, the unit member shall be allowed to have no more than three (3) Guild representatives present during the pre-disciplinary hearing, consisting of the Guild's attorney, Guild President, and Guild site representative or Grievance Chair. Only one (1) of these Guild representatives will be allowed to be the spokesperson during the hearing.

20.2.6 Final Notice of Discipline

If, subsequent to the pre-disciplinary hearing, it is determined that discipline is to be imposed, a final notice of disciplinary action shall be sent to the unit member by registered or certified mail or personally served upon the unit member. This final notice of disciplinary action shall contain the following:

1. A statement of the exact discipline to be imposed and the effective date(s);
2. A statement of the charges from Section 20.1.6 of this Article upon which the disciplinary action is based;
3. A statement of the facts and evidence upon which the final decision to impose discipline was based;
4. A statement of the unit member's right to appeal the disciplinary action within ten (10) working days from the date of receipt of the final notice of disciplinary action;
5. A separate card or paper, the signing and filing of which shall constitute a demand for hearing and a denial of all charges.

20.2.7 Appeal of Discipline

Permanent unit members who are deprived of salary or other loss in compensation or property rights as a result of the imposed discipline may appeal the disciplinary decision under Article XXI, Section 21.3.5, Arbitration, of the Grievance Procedure. Nothing herein shall prevent the parties from mutually agreeing to utilize Step IV, Mediation, of Article XXI, prior to Step V, Arbitration.

20.3 Release of Probationary Employees

A unit member may be summarily discharged during the first twelve (12) months of employment as a regular monthly employee, at the discretion of the District, without recourse to the grievance procedure.

ARTICLE XXI - GRIEVANCE

21.1 Definitions

- 21.1.1 A "grievance" is a claim alleging a violation, misapplication, or misinterpretation of a specific provision of this Agreement, exclusive of all other documents.
- 21.1.2 A "grievant" is either a unit member covered by this Agreement or a class of similarly situated unit members or AFT. In the case of multiple grievance claims regarding the same allegation, AFT may select one grievance to be processed, and the decision rendered will be applicable to all claims on the same issue arising from the same set of circumstances.
- 21.1.3 An "immediate supervisor" means the individual who is not a member of the unit and who assigns, reviews, and directs the work of the grieving unit member(s).
- 21.1.4 A "representative of the unit member" shall mean someone selected by the grievant to assist him/her in presenting and processing his/her grievance. The representative need not be an AFT representative.
- 21.1.5 "Days" shall mean working days.
- 21.1.6 A "management representative" shall include any designee as determined by the District.
- 21.1.7 A "District grievance form" shall mean the form contained in Appendix C of this Agreement.

21.2 General Provisions

- 21.2.1 No grievance subject to binding arbitration shall be processed through the Grievance Procedure by any grievant who pursues any other available legal remedy with an agency or judicial body that accepts jurisdiction. If such an agency or judicial body does not accept jurisdiction, the time limit for filing a grievance begins on the date of receipt of notification of rejected jurisdiction.
- 21.2.2 The District and AFT agree that every effort will be made to settle grievances at the lowest supervisory level possible. Nothing contained herein shall be construed as limiting the right of any grievant to discuss a grievance informally with his/her immediate supervisor or to have the grievance resolved at any time without the intervention of AFT, provided that the resolution is not inconsistent with the terms and conditions of this Agreement.

- 21.2.3 The filing of a grievance will in no way interfere with the right of the District in carrying out its management responsibilities subject to the final decision of the grievance. In the event the alleged grievance involves an order, requirement, or other directive that does not involve unreasonable danger to the personal health and safety of the unit member or others or is not illegal and/or does not call for an illegal act, the grievant will fulfill or carry out such order, requirement, or other directive, pending the final resolution of the grievance.
- 21.2.4 If the grievance involves unit members with different immediate supervisors, the grievance may be filed at Step II or Step III as appropriate.
- 21.2.5 If the immediate supervisor at Step I does not have the authority necessary to adjust the grievance, the grievance process shall commence at the step where such authority resides.
- 21.2.6 An investigation or processing of any grievance shall be conducted so as to result in minimal interference with, or interruption of, the instructional program or other District operation and related work activities of the grieving unit member or other District staff.
- 21.2.7 The grievant shall have the right to be accompanied by a representative at each step. When the grievant is a unit member or class of employees, the grievance cannot be processed at Step V without the approval of the AFT except as in 21.3.5.1.
- 21.2.8 All materials concerning the unit member's grievance shall be handled with discretion and kept separate from the unit member's personnel file.

21.3 Procedures

For purposes of this Section timelines herein may be extended by mutual agreement of the parties. Neither party waives its right to assert timeliness as a defense absent an agreement to mutually extend the timelines.

21.3.1 Step I - Immediate Supervisor

- 21.3.1.1 No later than twenty (20) days after an alleged grievance occurs, or within twenty (20) days of when the grievant could reasonably have known of the occurrence, the unit member shall request a conference with his/her immediate supervisor to discuss the grievance. The unit member shall meet with his/her immediate supervisor to discuss the alleged grievance in an attempt to resolve it.

21.3.1.2 The immediate supervisor shall make his/her decision regarding the outcome of the above meeting known in writing to the grievant and AFT, if applicable, within ten (10) days of the meeting.

21.3.1.3 If the grievance is not resolved at this level the unit member may proceed to Step II by formally filing a grievance form.

21.3.2 Step II - Manager above Immediate Supervisor

Within ten (10) days of receipt of the Step I response, if the grievance was not resolved at Step I, the grievant shall present the grievance in writing on the District grievance form (Appendix C) to the appropriate manager who has direct authority over the immediate supervisor from Step I. On this form the grievant shall include a clear and concise statement of the grievance, the specific article(s) alleged to have been violated, the circumstances involved, the specific remedy sought, and a copy of the decision rendered at the informal conference. The manager shall meet with the grievant in an attempt to resolve the grievance within ten (10) days of the receipt of such grievance. The manager shall provide a written decision to the grievant and AFT, if applicable, within ten (10) days of the meeting.

21.3.3 Step III - President/Vice Chancellor

Within ten (10) days of the receipt of the written decision in Step II (or Step I if appropriate) above, the grievant may present the grievance in writing to the President or Vice Chancellor as appropriate within the campus or District Offices. The written statement shall include a copy of the original grievance, a copy of the decisions rendered at previous levels, and a clear, concise statement of the reasons for the appeal to Step III. The President or Vice Chancellor shall meet with the grievant in an attempt to resolve the grievance within ten (10) days of the receipt of such grievance. The President/Vice Chancellor shall provide a written decision to the grievant and AFT, if applicable, within ten (10) days of the meeting.

21.3.4 Step IV-Mediation (Optional)

21.3.4.1 If the grievance is not resolved at Step III either party may request mediation. However, both parties must agree to the use of the mediation process. Such request shall be made in writing to the Vice Chancellor, Human Resources within ten (10) days of the Step III decision. Both parties shall be notified when the request for mediation is made.

21.3.4.2 If the use of mediation is agreed to, within ten (10) days of receipt of the request for mediation, the Human Resources Office shall request the services of the California Mediation Service or the Employee Assistance Program, whichever the parties agree is more appropriate.

21.3.4.3 The mediation session shall be scheduled at the earliest date that the mediator is available.

21.3.4.4 The mediator shall meet with the parties in an effort to resolve the grievance. The mediator shall have no authority to impose a settlement upon the parties.

21.3.5 Step V - Arbitration

21.3.5.1 A grievance that is not settled at Step III or at Step IV, if applicable, may be submitted to Arbitration as provided herein, only if AFT gives written notice to the District of its desire to arbitrate the grievance. Issues relating to matters of retroactive payments and discipline including termination will be submitted to advisory arbitration. All other allegations of violation of this Agreement will be submitted to binding arbitration.

The request for arbitration shall be made in writing to the Vice Chancellor, Human Resources within ten (10) days of the Step III decision or within ten (10) days of the completion of the Step IV mediation process.

Appeal of Discipline

A unit member who is appealing discipline subject to the grievance process may file the request for arbitration without the AFT's concurrence. An appeal of discipline (request for advisory arbitration) shall be made in writing to the Vice Chancellor, Human Resources within ten (10) days of the date of the final notice of discipline.

21.3.5.2 The District and AFT agree to discuss the establishment of a Permanent Arbitration Panel and related procedures upon ratification of this Agreement. Until such time as the parties agree upon a Permanent Arbitration Panel, the District shall request the State Mediation and Conciliation Service to supply a panel of a minimum of five (5) arbitrators from which the District and AFT shall select an arbitrator utilizing the striking method described below.

21.3.5.2 (Continued)

Upon receipt of the list of arbitrators, the arbitrator shall be chosen by allowing each party, in turn, to strike out one (1) name until only one (1) name remains.

21.3.5.3 The parties will share equally the real costs (after reimbursement for mandated costs) of the fees and expenses of the arbitrator. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

21.3.5.4 Within forty-five (45) calendar days after final submission of the grievance to the arbitrator, he/she shall present his/her written decision to the grievant and the District. In the case of issues subject to binding arbitration the decision shall be final and binding upon the parties in the dispute. In the case of issues submitted to advisory arbitration, either the grievant or the District may appeal the advisory decision of the arbitrator to the Board of Trustees within thirty (30) days after receipt of such advisory decision. Thereafter, the Board of Trustees shall make the final decision within forty-five (45) days.

21.3.5.5 The arbitrator will have no power to alter, amend, change, add to, or subtract from any of the terms of this Agreement, but will determine only whether or not there has been a violation, misapplication, or misinterpretation of the express provisions of this Agreement in the manner alleged in the grievance. The arbitrator shall have no power to establish salary structures. The decision of the arbitrator will be based solely upon the evidence and arguments presented to him/her by the parties in the presence of each other and upon arguments presented in briefs. The arbitrator shall not consider any issue raised by the grievant unless it was known by the District in an earlier step of this grievance procedure. The arbitrator shall have no power to render an award on any grievance initiated before the ratification of this Agreement by both parties.

The parties reserve their rights to appeal the arbitrator's decision pursuant to applicable law.

ARTICLE XXII - SAFETY

- 22.1 The Union and the District agree that the responsibility for safe working conditions is that of the Board, and the responsibility for the maintenance of safe procedures and practices is that of the employee.
- 22.2 Unit members and Union representatives shall report in writing any unsafe conditions that exist to the designated safety officer within the staff of the program. The report should include recommendations for remedial steps that may be taken.
- 22.3 It is District policy to encourage unit members to report unsafe conditions. The designated safety officer shall give written response to reports of safety hazards, indicating current disposition and/or corrective action(s) in progress. Responses shall be sent within a reasonable time, permitting investigation, evaluation, and proposed determination.
- 22.4 Unit members shall not be required to work under conditions in which a clear and present danger to their health and safety exists. Employees may be assigned other duties, or to another duty station in cases where a hazard has caused a temporary displacement pending further investigation and/or determination.
- 22.5 The District agrees to provide the appropriate and required safety equipment as determined by OSHA or County Department of Environmental Health standards to unit members necessary for the safe performance of their job duties.
- 22.6 Maintenance & Operations unit members shall be required to wear appropriate clothing determined by the designated safety officer; otherwise, employees may wear suitable clothing of their own choosing.
- 22.7 The District encourages unit members to participate in the development of training programs related to safety by providing recommendations to the District Classified Employees Staff Development Committee.
- 22.8 The Union shall be entitled to have one representative on the District Safety Committee. If the representative has a third shift work schedule, released time will be authorized to provide eight (8) hours sleep time plus travel time before the meeting.
- 22.9 The District agrees to provide a list of all locations where asbestos has been identified at the request of the Union.

22.10 In consideration of potential safety hazard to custodians, the District requires that when shorts are worn, the following provisions be met:

- a. Long pants are the preferable attire, but when warm weather makes the working environment uncomfortable, shorts may be worn. In areas of assignment where shorts are not appropriate due to safety considerations, supervisors may require that long pants be worn.
- b. Shorts should cover the leg to at least mid-thigh. The garment should fit properly to allow freedom of movement to safely perform the tasks required of the position. The garment should not have tears, fringe, or other defects which could be caught or otherwise interfere with the safe performance of the custodial function.
- c. The unit member is required to bring a pair of long pants when wearing shorts in case the shorts are determined by the immediate supervisor to provide a safety hazard. Before beginning the work shift, the unit member must have prior approval of the supervisor to wear shorts. Denial shall be based on appropriate safety concerns.

ARTICLE XXIII - CONTRACTING OUT

Any contracting out of work covered under the provisions of this Agreement must be in accordance with the current provisions of the Education Code. (n.b. Education Code sections 88003.1 and 88004.5)

No later than one hundred eighty (180) days prior to contracting out work, the District shall consult with AFT, and upon a demand to bargain will negotiate any impacts and effects of the decision to contract out. The District shall make a reasonable effort to find suitable positions for unit members affected by this Section. Any resulting layoffs will be handled under the provisions of Article XIX - Seniority, Layoff and Reemployment. Current unit members shall have the opportunity to apply for any of the contracted out positions.

ARTICLE XXIV - MAINTENANCE OF OPERATIONS

It is recognized that the need for continued and uninterrupted operation of the District is of paramount importance and that there should be no interference with such operation.

AFT agrees that neither AFT, any person acting in its behalf, nor unit members will cause, authorize, engage in, sanction, or instigate, a concerted failure to report for duty, slow-down, a strike, or other concerted action against the District during the term of this Agreement.

AFT agrees it will not cause unit members to, engage in, encourage, or assist in any strike or other concerted action or conduct on the part of other District employee organizations.

AFT agrees it will not cause, engage in, encourage, or assist in any strike or other concerted action or conduct on the part of non-District employee organizations in which the AFT organization or unit members represent themselves in any way as District employees or as acting on behalf of, in connection with, or with the sanction of the San Diego Community College District. AFT further agrees that the AFT organization and unit members will refrain from using, wearing, or displaying any insignia of the District or any of its colleges or organizations, including but not limited to the following: District logo, insignia apparel, pins, buttons, hats, bumper stickers.

Nothing contained in this Agreement shall be construed to restrict or limit the District in its right to seek and obtain judicial relief as it may be entitled to have under law for any violation of this or any other Article, and to take such action as it deems necessary to discipline and/or discharge any unit member for violation of this Article. Unit members shall not be entitled to any wages while engaged in any strike, work stoppage, or other interruption of work.

The District agrees not to require members of this bargaining unit to perform the work of members of other bargaining units except in emergencies relating to the safety of students.

ARTICLE XXV - MANAGEMENT RIGHTS

The District retains and reserves unto itself all powers, rights, and authority, to direct, manage and control to the full extent of the law the San Diego Community College District operations, working force and facilities. Except to the extent limited by the specific and express terms and conditions of this Agreement the rights to consider the merits, necessity or organization of any service or activity provided by law, policy or administrative procedure; to determine the mission of the District; set standards of service and performance; to select, direct and control the District business operations and working force; to hire, classify, assign, promote, transfer, layoff unit members, and discipline unit members for just causes and the right to require unit members to observe written rules and regulations are all vested in the Board of Trustees of the San Diego Community College District. The Board of Trustees may legally delegate or assign any Board rights or responsibilities to management or to such other official persons, divisions, departments and committees as it shall determine appropriate.

ARTICLE XXVI - SEVERABILITY AND SAVINGS

If any provision of this Agreement or any application of this Agreement to any unit member or group of unit members is held invalid by operation of law or by a court or other tribunal of competent jurisdiction, such provision shall be inoperative, but all other provisions shall not be affected thereby and shall continue in full force and effect.

ARTICLE XXVII – LABOR/MANAGEMENT MEETINGS

Consultation meetings between AFT Guild representatives and the District will be convened on a regular basis, but at intervals no greater than six (6) weeks unless both parties agree there are no agenda items. The purpose of these meetings will be to exchange information and resolve matters related to the administration of the Agreement as well as matters outside the scope of representation. Participants in the meetings shall include the Chancellor, or designee, the AFT Guild President, or designee, and such other representatives as either shall appoint. The number of other representatives at each meeting shall be mutually agreed upon by the District and the Guild.

ARTICLE XXVIII - DURATION

- 28.1 This Agreement shall remain in effect from July 1, 2008 – June 30, 2011.

SAN DIEGO COMMUNITY COLLEGE DISTRICT

RESOURCE ALLOCATION FORMULA (RAF)

FOR

COLLECTIVE BARGAINING

Effective July 1, 2008 through June 30, 2011

for the following units:

AFT Office Technical (AFT-OT)

AFT Food Services

AFT Maintenance and Operations (AFT-M&O)

PURPOSE

The purpose of this Resource Allocation Formula (RAF) is to provide a clearly defined method for the allocation of resources to employee units, to cover the operating costs of the District, and to fund priorities established by the District. In developing the RAF, the District took into consideration priorities such as, but not limited to, the following:

- Provide for salary and benefit improvements for its employees.
- Base economic improvements on actual revenue received from COLA, Growth, and State apportionment, and be responsive to reductions in continuous revenue.
- Provide resources to maintain a competitive position in the market and support the recruitment and retention of employees.
- Promote FTES growth to maximize continuous revenue.
- Provide resources to cover the inflationary costs related to services and operating expenses.
- The reduction of reliance on one-time funds (ending balances) to balance the annual budget.
- Provide funding to cover the increased costs related to new and expanded facilities provided through the use of Proposition S and Proposition N funds.

The RAF has also been designed to allocate resources responsibly, and in such a manner as to hopefully avoid future budget reductions, hiring freezes, and/or reductions in programs and services to be able to balance the annual budget.

From the increase in qualified RAF apportionment funds made available to the employee units each year, which typically is provided through a COLA adjustment, each unit will have general discretion over how its portion of these funds are distributed following past practices, provided they are used for improving the compensation or benefit levels of existing programs and services. If a bargaining unit wants to implement a new program or service, modify workload, or make changes that negatively impact the percent of instructional and non-instructional expenses (as defined in the State 50% calculation) within the unit, the terms and conditions of such changes will have to be negotiated with the District.

GENERAL TERMS AND CONDITIONS**Use of Funds**

From the increase in qualified RAF apportionment funds allocated each fiscal year, each participating bargaining unit included in the formula shall have general discretion over how its portion of these funds are distributed. The intended use of the funds are to improve the compensation and/or benefit levels of those members represented by each bargaining unit, but may also be used to pay for reassigned time for the purpose of union business, at the discretion of the union following past practice. The cost of such reassigned time for union business shall be based on the replacement cost for the position(s) based on the level of FTE or FTEF reassigned time. As in past practice, faculty and staff reassigned time will be paid for at the contract rate where a contract replacement is made, and at the adjunct or hourly rate when the release time is filled with one or more adjunct or hourly staff. It is the District's discretion as to how a reassigned time replacement is filled. If a bargaining unit wants to implement a new program or service, modify workload, make changes that negatively impact the 50% calculation, or make any other changes not directly related to existing salary or compensation schedules or benefit programs, the terms and conditions of such changes will have to be negotiated with the District.

Following past practices, employee unit salary or benefit increases in restricted programs are to be absorbed by the program's funding.

Funding Sources

For the 3-year term of this agreement, the source of funds subject to this agreement are annual revenue increases from funded COLA, or other continuous general apportionment increases, excluding Growth, Stability funding, and Restoration funding. The total funds available to the units participating in this RAF shall not exceed the equivalent level of funding to increase the affected salary schedules by 100% of the State COLA percent, with the exception of the cost to extend the fully paid health (at the Kaiser rate), dental, and vision premiums through December 31, 2011 (Value for all units estimated at \$2.1 million, depending on health benefit inflation rates).

COLA and Apportionment Increases

The annual COLA and apportionment increases are reflected in Sections I & II, and the "Workload Measures" section of "Exhibit C" of the Apportionment document distributed by the California Community Colleges System Office (e.g. 2006-07 COLA = 5.92%; 2007-08 COLA = 4.53%). Continuous increases due to COLA and/or continuous apportionment increases are typically reflected in Section II-Inflation Adjustment, or clearly identified in Section V-Other Revenue Adjustments. The Exhibit C, or its equivalent, in the State Apportionment document will be used to identify all increases to continuous revenue from COLA or apportionment revenue.

RAF Economic Improvements Implementation Dates and Off-Schedule Payments

During normal budget years, when the State budget is finalized with certainty during or prior to the fall semester, on-schedule increases will take affect on January 1st and off-schedule payments will be made on January 31st for contract employees, and February 10th for adjunct and overload employees.

In years with budget uncertainty, such as during the 2008-09 fiscal year, RAF funds will be withheld until the P-1 is received, and/or until there is reasonable certainty that the RAF funds will be received, but no later than April 1st of each year. Once the determination related to RAF funds is made, the on-schedule changes will go into effect the first of the following month, and the off-schedule payments will be for the number of preceding months since July 1st. For example, if the final RAF allocation determination is made during March, the on-schedule changes would be effective April 1st, and the off-schedule payments would be for nine (9) months (July – March) at the RAF maximum on-schedule rate.

To qualify for off-schedule payments, employees must have been in a paid status after July 1st of the current RAF year. Employees who qualify for off-schedule payments will receive off-schedule payments based on their total salary related earnings from July 1 through the months covered by the off-schedule payments, except for summer adjunct faculty assignments which begin with earnings in the August 10th paycheck. For example:

Contract Faculty and Staff

Off-schedule payment will be equivalent to each employee's salary related earnings during the months in the off-schedule period, times the RAF COLA for each year. Faculty and Staff not employed for the full off-schedule period will have their off-schedule payment prorated.

Adjunct Faculty (Includes Overload)

Off-schedule payment for adjunct and overload assignments will be equivalent to each employee's salary related earnings during the off-schedule period, times the calculated RAF COLA for each year. Off-schedule payment for adjuncts teaching during summer session will be based on earnings beginning with the August 10th paycheck. (Contract faculty who teach summer or intersession assignments are considered adjunct faculty for purposes of this provision.)

Adjustments to RAF Unit Allocations

The full allocation of RAF COLA funds is contingent upon the District receiving full funding for COLA, Growth, and Apportionment Revenue as committed by the State and included in the District's Adopted Budget, approved on or before September 15th of each year. If any of these revenue sources, approved in the original State budget is reduced by the State after the RAF funds have been determined, but before they have been distributed, the RAF funds will be reduced by the loss in revenue, proportionally by unit, provided the reduction in funding is solely due to reductions caused by the State, outside of the control of the District.

If reductions to apportionment funding levels are modified by the State after RAF funds have been distributed, the loss of RAF revenue will be deducted from the following year's RAF before distributions are made to the units, provided the reduction in funding is solely due to reductions caused by the State, outside of the control of the District.

Term of Agreement and Annual Reopeners

The term of this agreement is for three (3) years, covering the fiscal years 2008-2009, 2009-2010, and 2010-2011. Each bargaining unit, and the District, may each open a maximum of two (2) non-economic Articles of their respective contracts each year, unless additional sections are mutually agreed upon. All other collective bargaining agreement provisions are continued each year.

The terms and conditions of this agreement expire on June 30, 2011. Should a successor RAF agreement between the District and any unit not be in place on July 1, 2011, the terms and conditions of this agreement will not continue. Any agreement between the District and any unit, including side letters, memorandums of understanding and other written agreements, that are contingent upon this current RAF agreement, expire on July 1, 2011, and may be renegotiated as part of a successor RAF agreement, unless a written mutual agreement exists to the contrary.

Employee Health Benefits

Prior year RAF agreements included funds from equalization dollars to fund the inflationary premium costs for health benefits (at the Kaiser rate), dental and vision for employees of the participating units. Based on historical inflation rates, it was estimated that the benefit reserve funds would run out sometime around July 2010. For those units that participate in this new RAF agreement, it is understood that this agreement supersedes all previous RAF agreements, and the District will continue to pay the inflationary costs of health benefits (at the Kaiser rate), vision and dental through December 31, 2011. This agreement does not obligate the District in any way to pay any increases in premium costs beyond December 31, 2011.

Prior Year RAF Issues

Participation in this RAF agreement is contingent upon that unit agreeing that all issues related to prior year's RAF agreements, including equalization money that was set aside in the employee benefit reserve, are all resolved and not subject to challenge.

The prior RAF agreements included revenue sharing of growth funds. The RAF covering the 2007-08 year included a provision that provided 30% of growth revenue funded for that year be distributed to the participating RAF units. Participation in this new agreement is contingent upon each participating unit waiving their claim on the 2007-08 growth revenue and releasing the funds back to the District.

Other Revenue Sources

By participating in this RAF agreement, it is understood by all units that the only revenue available to each unit is from annual increases to continuous apportionment revenue, not to exceed an amount equivalent to 100% of the State COLA percent if applied to the salary schedules.

Expenditure Rebates from the State

The only revenue exception would be for reimbursements from the State that are directly related to a unit's expenditure of RAF dollars. If a bargaining unit or meet and confer group spends their RAF funds to purchase an improvement, such as adjunct office hours, which directly and specifically results in a full or partial reimbursement of the unit's funds spent on the improvement, from the State and received by the District, the reimbursement will be credited to the unit's RAF funds. Reimbursements that are directly or indirectly a result of the use of District funds outside the RAF dollars, such as but not limited to changes in FTE, FTEF, apportionment, productivity, enrollment, etc., are not included in or subject to this provision.

**SAN DIEGO COMMUNITY COLLEGE DISTRICT
RAF IMPLEMENTATION AND COST OUT METHODOLOGY
APPLICABLE TO 2008-09, 2009-10, 2010-11
EFFECTIVE JULY 1, 2008**

The RAF implementation and cost out methodologies are outlined below.

1. Provides funding each fiscal year equal to on-schedule percent equal to 100% of State COLA percentage. (For example, if State COLA is 5%, funds equivalent to provide a 5% across-the-board on-schedule salary increase will be provided.)
2. No cost outs required for portion of funds used to pay for across-the-board on-schedule salary increases.
3. If all funds are not used for across-the-board salary increases, non-across-the-board cost outs will be determined as follows:
 - 3.1 Same methodology as was used for previous RAF's except:
 - 3.1.1 Budget value for vacant positions will be excluded.
 - 3.1.2 100% of mandated benefit costs will be included.
 - 3.2 Cost outs will be based on a three (3) year cost out methodology, based on filled positions as of September 1st of each new year.
 - 3.3 Cost out methodology will be based on the additional cost of salary and mandated benefits when current salary schedule costs are compared to proposed salary schedule costs, after all employees are advanced three (3) years per current salary step advancement procedures (i.e. one-step per year).
4. Costs of other (fixed cost) economic improvements shall be based on the actual cost or set-aside amount of the improvement. For example, if \$10,000 is set aside and added to the adjunct medical reserve fund, \$10,000 will be charged against the available RAF allocation.
5. Contract continues on current January to January cycle for implementation of salary schedule and other contract related on-schedule increases, excluding class and step advances, which will occur as regularly scheduled.

2007 – 2008 Compensation Agreement
(SEIU Hay Realignment Study)

07-03

- SEIU and the District agreed to a Hay study to determine if all classifications within the unit are placed on the correct ranges based on the know-how, problem solving and accountability of the jobs.
- Orientation meetings were held to provide the employees the opportunity to hear the details of the process and to ask questions.
- Classification (job) descriptions were sent to all supervisors and employees for input. Some group meetings took place for jobs where there were multiple incumbents in the same classification (i.e., gardeners and custodians).
- Human Resources updated classifications based on input. Classification (job) descriptions were provided to Hay for review.
- The Hay Analyst applied the proprietary Hay measurement methodology to each classification and recommended ranges for each classification. Hay also proposed a new salary structure to accommodate the new realigned classifications.
- Human Resources determined the salary placement for each employee by reviewing pending anniversary moves, through January 1, 2008, using the previous salary structure. Employees were then placed on the step of the new salary schedule closest to their monthly rate.
- The unit made a determination to spread their Resource Allocation Formula dollars, less the cost of implementing the realignment study, across the board.
- As a result of the placement, seven employees were “star rated”. Their salary was greater than the highest step on the new salary schedule for their realigned grade. To ensure no employee lost money as a result of the realignment, these employees will be provided a stipend/additive in their paycheck until the salary schedule equals or exceeds their monthly rate.
- Employees were advised about the proposed new salary schedule, realignment recommendations and impact to their personal situation via letters, except for the seven star rated employees. They had an opportunity to meet with an SEIU and Human Resources representative, prior to the unit voting for the acceptance of the proposed new salary schedule and realignment.
- The parties agree that unless management make organizational changes affecting classifications, Window Period requests for review of a position will be allowed no sooner than January 2010.
