

**SIDELETTER BETWEEN THE
GROSSMONT-CUYAMACA COMMUNITY COLLEGE DISTRICT
AND
AFT GUILD, LOCAL 1931**

In recognition of the fact that the current grant from outside area hospitals is expiring on December 31, 2011 which is providing the funding for the additional stipends of \$20/hour for adjunct faculty, and \$1,000/month for contract faculty which are outside of the provisions of the collective bargaining agreement, the parties agree to allow the current stipend amounts to continue through July 31, 2012 and be paid out of the District's general fund, as one-time only, non-precedent setting exceptions to the collective bargaining agreement.
