

Pension Training

Fight for your future! Protect your Pension

The Governor may have withdrawn his pension privatization initiative from the Special Election, but he plans to include it on the June 2006 Ballot. And he still hasn't fixed the death and disability benefit ban! Now more than ever we need to fight pension privatization. Join us for a special Save Public Employees' Pension Training Session and learn how to fight for your pension.

WHAT: Training for labor leaders and activists on how to fight schemes to privatize our public pensions

WHERE: SDPOA meeting room
