For a part-time instructor to progress to the next step, they must accumulate teaching credit in two half-years; specifically, part-time instructors must teach at least one unit during two different half-year periods to progress to the next step. Classes that start in one half-year and extend into the next half-year will be counted only in the half-year that they end. This schedule also applies for summer school assignments. 2016 Increase: 4.6%
