Dear Chancellor Lamb:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting January 11-13, 2017, reviewed the Institutional Self Evaluation Report (ISER) submitted by City College of San Francisco and the report prepared by the evaluation team that visited the College October 10-13, 2016. The purpose of the Commission's review was to determine whether the College meets Eligibility Requirements, Accreditation Standards, and Commission policies.

The Commission also considered the testimony provided by Interim Chancellor Lamb, Board President Mr. Rafael Mandelman, Board Vice President Ms. Thea Selby, the Interim Associate Vice Chancellor and Accreditation Liaison Officer Ms. Kristin Charles, and President of the College's Academic Senate Ms. Mandy Liang.

After considering all of the written and oral material noted above, the Commission acted to **reaffirm accreditation**. Reaffirmation of accreditation indicates that the Commission has determined that the institution meets the Eligibility Requirements, Accreditation Standards, and Commission policies.

Additional Information

The External Evaluation Report provides details of the team's findings with regard to the College's work to meet the Eligibility Requirements, Accreditation Standards, and Commission policies. I advise you to read the Report carefully to understand the team's findings.

The guidance and suggestions contained in the External Evaluation Report represent the advice of the peer evaluation team at the time of the external evaluation visit. While an institution may concur or disagree with any part of the Report, City College of San Francisco is expected to use the Report to improve educational programs and services. In addition, the College has the responsibility to accept the Commission's action and to uphold the integrity of the accreditation process by accurately portraying it and helping institutional constituencies to understand

the Eligibility Requirements, Accreditation Standards, and Commission policies pertinent to this Commission action.

I have previously sent you a copy of the External Evaluation Team Report. The College may now duplicate and post copies of the team report. The Commission requires that you give the ISER, the External Evaluation Team Report, and this letter appropriate dissemination to those who were signatories of the ISER and to make these documents available to all campus constituencies and the public by placing copies on the College website. Please note that in response to public interest in accreditation, the Commission requires institutions to post accreditation information on a page no more than one click from the institution's home page.

On behalf of the Commission, I wish to express our appreciation for the significant scope and quality of the work that City College of San Francisco undertook to meet the requirements of accreditation, prepare for institutional self-evaluation, and support the work of the external evaluation team.

The Commission encourages the College's continued work to ensure educational quality and to support student success. Accreditation and peer review are most effective when institutions and the ACCJC work together to focus on student outcomes and continuous quality improvement in higher education. Thank you for sharing the values and goals of accreditation.

If you should have any questions concerning this letter or the Commission action, please do not hesitate to contact me or one of the ACCJC Vice Presidents. We would be glad to help you.

Sincerely,
