

For staff and worker leaders in unions, worker centers and community organizations The UCLA Labor Occupational Safety and Health (LOSH) Program, in collaboration with the San Diego City College Labor Studies Program* is offering a 24-Hour Specialist Training
Labor Studies 123A
Worker Safety & Health and Leadership Development

Skills to be learned include how to:

- Identify and control a full range of hazards and unsafe working conditions.
- Recognize elements of an Illness and Injury Prevention Program, Cal/OSHA's IIPP.
- Conduct root-cause analysis and develop strategies to take successful action.
- Communicate effectively about health and safety with employers.
- Participate in effective workplace health and safety committees.
- Effective access to Cal/OSHA and Workers' Compensation Resources.

Course Location, Date and Time:

San Diego City College
1313 Park Blvd, San Diego, CA 92101
Three consecutive Saturdays, September 9th, 16, and 23rd, 2017 from 8AM to 5:10 PM in C211
