

The Progressive Labor Summit is a one-day event in San Diego bringing together the Labor community with left-of-center activists & leaders to empower all working people by building stronger understanding, knowledge, skills, and partnerships to tackle the broader social challenges we are facing today.

The sixth annual summit will occur in-person and help us strengthen our foundation for vital progressive work, with the theme, "Choose Your Own Adventure," reminding all of us that the future of our communities will be what we make it. Check out some of our panels & workshops:
